

The illustration shows two scenarios for disposing of household chemicals. On the left, a sink contains two bottles of liquid. The bottle on the left has a sad face and is crossed out with a large 'X', indicating it is unsafe to pour down the drain. The bottle on the right has a happy face and is not crossed out, indicating it is safe to pour down the drain. On the right, there are three bottles. The first bottle on the left has a happy face and is not crossed out. The second bottle in the middle has a sad face and is crossed out with a large 'X'. The third bottle on the right has a sad face and is also crossed out with a large 'X'.
